The Spirit of the Season

The season is upon us. For some, there has been snow. Many wreaths have been hung and candles are aglow. We anticipate presents and seeing those we love. Feeling warmth from the hearth and great smells from the stove.

In all our delight, we should be sure to think
About those with less food and sometimes nothing to drink.

Those with no family, no loved ones to see,
No reason to celebrate. Not even a tree!

We all must remember to do at least one good deed...

... a hand we can hold,
... a mouth we can feed.

... a gift we can give,
... a song we can sing,
... a soft word of comfort,
... joy we can bring.

There are so many things for others, we can do.
So take just one action and share your love too!

**YOU'RE
THE GIFT!**

Wishing everyone a wonderful season, filled with joy and delight.
